Donations Being Accepted for 2010 NRBC Silent Auction

It's time to be generous and think about what you might want to donate. The NRBC has continually showed its support for various charities and causes and in 2010 will continue its support of Rein In Cancer, an equine based entity that raises money to aid in the fight against cancer. This year's charities also include the American Quarter Horse Foundation's

Americas Horse Cares, a special program that benefits therapeutic riding.

The Silent Auction held during the event is always a huge money earner, and with the donations already coming in, 2010 looks to be better than ever before.

To learn more about Rein In Cancer, go to www.reinincancer.com, and visit <http://www.aqha.com/foundation/therapeuticriding/americanhorsecares.html> for more information about Americas Horse Cares.

Donate Now!

The Silent Auction will be set up by Tuesday, April 13, and will run through the first section of Open Finals on Saturday, April 17. Donations of items will be taken now and throughout the event. To donate, please contact the NRBC Office at nrbc@nrbc.com. Please let us know if you have anything to donate.

Paid Warm-Ups at NRBC

Chris Potter of the NRBC Management Team has announced that everyone who ordered paid warm-ups will be notified of their time by fax or e-mail. He expects that people will begin being notified on or around April 1.

To order paid warm-ups, please visit the NRBC website and download the paid warm-up form. It can then be mailed or faxed in to the NRBC Office. The direct link is http://www.nrbc.com/admin_06/pdf/Show%20Paid%20Warmups%20Form.pdf.

Also, sponsors receive priority on paid warm-ups, so if you haven't sent in your NRBC Sponsor Quick Response form, please do so now. That form, along with the Sponsorship Packet explaining the perks of each sponsorship level, can be found at <http://www.nrbc.com/sponsors.php>.
