## **Salute to the East Arena!**

The National Reining Breeders Classic is the largest added-money reining event in the world - but there are even more winners than those crowned in the coliseum arena.

The competitors in the National Reining Horse Association Ancillary classes at the NRBC compete in the East Arena, and don't always receive the same accolades as their coliseum counterparts.

The NRBC Officers, Board of Directors, and Staff congratulate all the winners of the Ancillary Classes at the 2010 event. They also applaud the winners of the Gist High-Point buckles and the Open and Non Pro Double Time Award winners.

For complete results, visit the NRBC website at [www.nrbc.com](http://www.nrbc.com).
