NRBC ~ 13181 US Highway 177, Byars, OK 74831 580-759-3939 www.nrbc.com

April 22, 2010

The Officers, Board of Directors, Management Team, and Staff thank you for being a part of the 2010 National Reining Breeders Classic. The show has become an integral component of the reining horse industry, and we strive to continue to be innovative, creative, and progressive.

This year, the NRBC surpassed every expectation. In the midst of a questionable economy, the show reached a record number of entries and payout - one that exceeded \$1.4 million! The event, which has become known as the million dollar show for a number of reasons, saw two more reining icons reach million dollar status during the event. Congratulations to Todd Sommers on becoming an NRHA Million Dollar Rider, and to Jack and Viola Scott, whose stallion Magnum Chic Dream became an NRHA Million Dollar Sire.

Congratulations to Craig Schmersal, who won his first NRBC Open Championship on Boom Shernic, owned by the Boom Shernic Syndicate. Boom Shernic is by Boomernic, and out of She And Chic Dunit. This is Boomernic's second NRBC Open Champion - he also sired Mr Boomerjac, winner of the first NRBC!

Kim Dooley and Country Custom, by Custom Crome out of Calatrava, claimed the Non Pro Championship and its record championship payout of \$40,908 after an exciting run-off with Samantha Griffin and Dun Playin Tag, by Whiz N Tag Chex and out of Brennas Dunit Fancy.

The Great Southwest Equestrian Center in Katy, Texas, has been home to the NRBC for ten years, and is the perfect picturesque setting for the event. Thank you to new owner Jeff Hildebrand, along with manager Sean Brown and the rest of the wonderful staff that helped ensure the event ran smoothly.

The owners who subscribe their foals and stallions, those who enter the show, and the wonderful sponsors whose commitment creates the enjoyable event that everyone loves deserve the acclaim for the program's success. The NRBC is always a team effort, and so many people work together to ensure that each and every NRBC is more exceptional than the one before.

We will continue to keep you informed of NRBC news throughout the year. If you have any questions, please don't hesitate to contact the NRBC Office at 580-759-3939, or by email at nrbc@nrbc.com.

Once again, thank you for helping make 2010 a very memorable year for the NRBC.

Sincerely,

NRBC Officers, Board of Directors, Management Team, and Staff
