More Awards at NRBC!

NRBC Award Coordinator Kim Cox has announced even more awards for NRBC Champions, thanks to two returning sponsors. Nick Pernokas has come on board to sponsor an extra award for the Intermediate Open Classic Champion - a beautiful hand-tooled notebook.

Monica Hicks, proprietor of the custom-embroidery company Just Stitch It, has donated custom-monogrammed jackets to the NRBC Classic Open and Non Pro Champions.

"The awards the NRBC contestants receive are gorgeous and a testament to the great event here. We thank Nick and Monica, along with all the other sponsors and generous donors who make this show special," noted Cox.

Back-Gate Water Sponsored by Matt Mills/Outwest Stallion Station

Parched exhibitors at the NRBC won't have to look far to find refreshments, thanks to Matt Mills and Outwest Stallion Station. There will be free water for exhibitors at the back-gate of both the Coliseum and the East Arena. Thank you Matt and Outwest Stallion Station.

Where's Vaughn?

We're sorry to hear that our great NRBC Exhibitor Cap sponsor Vaughn Zimmerman had a horse get hurt and won't be able to make it to Katy this year. Thanks Vaughn for all you do and maybe we'll see you in Katy watching the Open Finals.
