The 2010 National Reining Horse Association begins Monday, June 21, and everyone is invited to stop by the NRBC booth, located right by the warm-up pen, for complimentary Krispy Kreme coffee and donuts each morning. There is also a large assortment of fruit and candy available at the booth throughout the day.

The NRBC Internet Café will also be set up with a computer and printer - so if you need to take care of any last-minute business, feel free to stop by. An NRBC representative will be available to answer any questions about the program, enrolled foals or stallions, sponsorship, and deadlines.
