Congratulations Kim and Craig!

2010 NRBC Champions Win Big at NRHA Derby

Kim Dooley and Country Custom, by Custom Crome out of Calatrava, won the NRHA Derby Non Pro Championship at the NRBC in April. On Friday, June 25, the talented team added another entry on their resume - the National Reining Horse Association Derby Non Pro Championship. The score of 225 earned a check for \$10,451.

On June 26, the 2010 NRBC Open Champions, Craig Schmersal and Boom Shernic, came close to walking away with another Championship - but were beaten by just a point. Congratulations to Craig and Boom Shernic, by Boomernic out of She And Chic Dunit, and all the members of the Boom Shernic Syndicate. Boom Shernic won \$35,066.

A tip of the hat also goes out to the 2010 NRHA Derby Champion and former NRBC Champion Shawn Florida, who won the Derby on his 2009 NRHA Futurity Champion Gunnatrashya.

Don't Forget the NRBC Yearbook!

It's not too early to start thinking about advertising in the 2010 NRBC Yearbook - which is released at the NRHA Futurity in late November. The Yearbook features in-depth re-caps of the previous event, and titillating news for the coming year.

For more information about the NRBC Yearbook, or to inquire about advertising, please contact Savannah Howell at savannah@nrbc.com, or by phone at 580-759-3939.

The NRBC Welcomes Newest Gold Sponsor - Magnum Chic Dream/Jack and Viola Scott

Long-time NRBC supporters Jack and Viola Scott, along with their stallion Magnum Chic Dream, have committed to an even higher level of NRBC Sponsorship - the Gold Level. "Jack and Viola are such great supporters of the reining industry, and especially the NRBC. Their stallion's offspring has done great in the NRBC arena - and at this past NRBC his foal earnings were pushed over the million dollar mark," noted NRBC Sponsor Coordinator Savannah Howell. "Thank you Jack and Viola, and all of our other generous NRBC Sponsors."
